PFACES FAMILY ENGAGEMENT SERVICES

PFACES offers family engagement training and services to help organizations, businesses and schools implement and develop integrated family, school and community engagement systems, policies and plans. We help organizations create family engagement practices that promote opportunities for the parent voice in decision making, encourages connections, educates stakeholders, builds social capital and enriches children's academic, social and emotional development.

PFACES PARENTING PROGRAMS

- **NATIONAL NURTURING PARENTING TRAIN THE TRAINER PROGRAMS**

PFACES trains organizations, staff and individuals to become Nurturing Parenting facilitators. The Nurturing Parenting Programs are a family-centered trauma-informed initiative designed to build nurturing parenting skills as an alternative to abusive and neglecting parenting and child-rearing practices.

- **TRIPLE P PARENTING PROGRAMS** is an internationally-recognized program that gives parents the skills they need to build strong family relationships, manage misbehavior and prevent difficulties from reoccurring. Triple P is an evidence based program has many different formats for agencies and parents to choose from to gain parenting help.

- **PFACES INTERGENERATIONAL FAMILY EDUCATION** facilitates workshops, classes and coaching that educate and promote healthy behaviors, increase effective communication and create new paradigms for family dynamics and growth. Nurturing practices, tools and skills are developed to enhance the lives of the current and future generations.

- **PFACES CO-CARE SERVICES** addresses the special challenges coparents experience as they share parenting responsibilities in two different homes.

- **PFACES HEALTHY FATHERHOOD** helps fathers learn to use practical tools to enrich their nurturing skills, create positive communications, manage unhealthy stress and become healthy and confident role models and fathers
